

Public Notice: Request for Comments

Draft Federal Clean Air Act Title V Permit to Operate to Assure Compliance with Air Pollution Control Requirements for Andeavor Field Services, LLC Chapita Compressor Station on the Uintah and Ouray Indian Reservation

Public notice issued:

July 16, 2018

Written comments due:

5 p.m. MT, August 15, 2018

Where is the facility located?

Andeavor Field Services, LLC
Chapita Compressor Station:
Uintah and Ouray Indian Reservation
Uintah County, Utah
NE/SW Sec. 15, T9S, R22E
Latitude 40.036310N
Longitude -109.416042W

What is being proposed?

The EPA proposes to issue a renewed Clean Air Act (CAA), Title V Permit to Operate in accordance with the Code of Federal Regulations at Chapter 40 CFR, part 71, for the Chapita Compressor Station located on Indian country lands within the Uintah and Ouray Indian Reservation.

The EPA issues CAA Title V operating permits in Indian country where EPA has not approved a tribe to implement the Title V operating permit program. The Ute Indian Tribe does not have an approved Title V operating permit program.

Air pollutant emissions come from the compressor station and associated equipment. The draft operating permit includes requirements for air pollutant emissions control.

Permit number:

V-UO-000012-2018.00

What are the EPA's responsibilities?

The U.S. EPA Region 8 Air Program is the regulatory authority that helps protect and preserve air quality on the Uintah and Ouray Indian Reservation.

One way EPA does this is by issuing CAA Title V operating permits for major sources of air pollutant emissions that identify all applicable requirements to control and monitor emissions. The purpose of this notice is to invite you to submit written comments on this proposed permit through the process detailed in this notice.

What happens next?

The EPA will review and consider all comments received during the comment period.

Following this review, the EPA may issue the permit, issue with revisions, or deny the permit.

Public Comment Period:

The EPA will accept written comments on this draft Title V Operating Permit beginning:

July 16, 2018

through

5 p.m. August 15, 2018.

Where can I send written comments?

EPA accepts comments by mail and e-mail.

How can I make comments by e-mail?
